FOOTBALL CLUB

## PRESIDENT MESSAGE

**Ben Perren**  
*Club President*

Dear Members, Players, Families, Coaches and Volunteers,

On behalf of the Committee, I am proud to welcome you to the 2026 Football Season at Nambour Yandina United Football Club.

As we head into pre-season, I want to thank each one of you for being part of our club community. Whether you are a returning member or joining us for the first time, you are an important part of what makes NYUFC a strong, inclusive, and proud football club.

The pre-season period is about more than fitness and preparation — it's about reconnecting with teammates, welcoming new faces, setting standards, and building the culture that will carry us through the year ahead. Our club continues to focus on development, respect, sportsmanship, and enjoyment of the game, from our youngest MiniRoos right through to our FQPL players.

I would like to acknowledge and thank our volunteers, coaches, team managers, and sponsors who generously give their time and support. Your commitment is the backbone of our club and does not go unnoticed.

As we move into the 2026 season, I encourage everyone to get involved, support one another, and represent Nambour Yandina United Football Club with pride — on and off the field.

We look forward to a positive, successful, and enjoyable season ahead and can't wait to see you all back at the club during pre-season.

Welcome to 2026.

Go the REDS!

Kind regards,

Ben Perren

President

SCHOOL HOLIDAY PROGRAM

NYUFC prides itself on offering opportunities for all ages, both genders and abilities to play football in a safe and supportive environment. We have teams that cater from 5 years of age through to Premier Men and Women.

Nambour-Yandina United Football Club was formed in 1997; amalgamating two great earlier clubs the Nambour Reds (founded in 1974) and the Yandina Eagles (founded in 1976). Each Club brought with it their own areas of specialty, one a strong youth backgrounds and the other well established senior teams creating a perfect blend. The Club then affiliated with Sunshine Coast Football and Football Queensland.

For more than twenty years NYU Football Club has also hosted the Yandina Community Markets, visited by thousands each year, it is a valuable source of fund-raising and a huge boost each weekend to the local economy.

We offer a range of extra programs which endeavour our players development growth, skills, building new friendships and learning while having fun! Little Reds Program develops our youngest of Reds in ready for MiniRoo's. Our School Holiday Program is an extra opportunity for players from across the coast to develop their skills, and learn new knowledge.

In 2026 we are proud to announce the introduction of our **RedX** Development Program. This program is to increase our players skills prior to entering into Competitive Juniors starting at U10's - U12's.
